

Massachusetts DOER Low Gas Demand Modeling Analysis

Stakeholder Meeting Agenda

100 Cambridge Street, 2nd Floor, Conference Rooms C&D

Boston, MA

October 15, 2014 / 9:00 am – 12:00 pm

To join by phone: Dial:(605) 562-0020, Meeting ID:633-455-122

Website: <http://synapse-energy.com/project/massachusetts-low-demand-analysis>.

Email written comments by October 20 to: lowdemandstudy@state.ma.us

Purpose of the Project: Consider various gas demand scenarios to evaluate a range of solutions to meet Massachusetts' short and long-term energy needs, taking into account greenhouse gas reductions, economic costs and benefits, and system reliability

Objectives of this meeting:

- Review the schedule and process for stakeholder input
- Describe the model and modeling process
- Review the alternative resources to be analyzed
- Solicit feedback from participants

Time	Topic	Speaker
